Community Living Newfoundland and Labrador invites you to submit stories of inclusion from your local schools and classrooms of inspirational students and teachers to be potentially published. Spend some time looking at how your school, teachers, staff and students can get involved and start promoting inclusion! We all benefit from the raised awareness.

The Community Inclusion initiative of the Newfoundland and Labrador Association for Community Living will award two recognition certificates in 2012. An individual (teacher, student, principal, student assistant, school volunteer or employee etc.) and a school or post-secondary institution that are deemed worthy of the award for making a positive contribution to inclusive education are eligible to be nominated.

For a nomination application form please contact: Sherry Gambin-Walsh at sherrygw@nlacl.ca or phone 722-0790.
