School Representatives' seminars will take place in October-November 2018. **Please note that one additional member of each Branch Executive (to be chosen by the Executive) will attend the seminars in addition to school representatives and branch presidents.**

This year the seminars taking place and branches involved are as follows:

Registration forms will be sent to schools and branches in May, and we ask that you encourage all your school representatives and a branch executive member to attend.

Branch Elections

The second week of May is set aside for branch elections. While it is not required that the election occur that week, it is recommended that branches have the executive for the upcoming school year

elected by late May or early June so that the new executive is in place before the beginning of the next school year. (If there is a two-year executive in place, then the words "each year" should be replaced with the words "in the year of the expiry of the term of office for the Executive".) If your branch is not able to fill all executive positions at this time, at least the core of the branch executive should be elected so that some continuity is established. **See page 42 of the Branch Operations Manual for information and advice on running branch elections. It is located on the NLTA website at www.nlta.nl.ca. Click on "About NLTA", then go to the "Branches of the NLTA" section.**

Visitations to Branches by Provincial Executive Members

Please note that additional visits to branches by the Executive contact person beyond the one visit per year stated in policy should be cleared with President Dean Ingram's office. The presentation of retirement scrolls/pins at a branch retirement function would normally be carried out by the branch president. However, an Executive member may be requested by the Provincial President to represent him to carry out this function. **Please contact either Dean or me and we will arrange for him or, if he's not available, another Executive member to attend your retirement function.**

Branch Audits – A Note to Treasurers

The policy on branch finances states that branch accounts are to be audited at the end of each branch year by at least two members of the branch other than branch executive officers. To facilitate the auditing process, the branch treasurer is asked to complete the audit form and submit it to the branch auditors along with the branch financial records for the year.

Please note when completing your audits that there should be no time lag between the end of one financial year and the beginning of the next. That is, if the "books" are closed on June 24 (for example) and the year-end audit completed, then the new financial year starts on June 25. Any bills paid or funds received over the summer would then become part of the records for the new financial year. Conversely, the financial year could end in early September, in which case the summer period would be part of the previous financial year. Under no circumstances should any funds be disbursed or received without being properly accounted for in the branch's financial records and year-end audit.

The completed audit form should be forwarded to the NLTA Office as soon as possible after the end of the branch financial year. **The form, "Branch Audit of Operating Accounts", can be completed online and submitted directly to the NLTA office from the "Forms" section of the NLTA website.**

Branch Registration Forms

Preliminary Branch Registration Form

This form should be completed and forwarded to the NLTA Office as soon as the branch election takes place, but in any case, no later than the last day of the school year (June 29).

The form is an important first step in registering your branch for 2018-19. Two hundred dollars of the branch registration rebate of \$700 will be forwarded to your branch in early September if this form has been received at the NLTA office.

Please note that if your branch executive will be completing the second year of a two-year term next year and there are no changes in the executive from the previous year, the preliminary registration form does not have to be completed. However, **please contact Rita Tee, by email at rtee@nlta.nl.ca, or by telephone at 726-3223 (1-800-563-3599), ext. 236, at the NLTA Office to inform her of this so that your \$200 can be sent to you in September.**

Official Branch Registration Form

The official registration form should be completed in September and forwarded to the NLTA Office as soon as the number of teachers in each school and board office within the branch boundaries is known. This form will be forwarded to the branch president in September.

Both the Branch Preliminary and Official Registration forms can be completed online and submitted directly to the NLTA office from the "Forms" section of the NLTA website.

Transfer of Office

If various positions on your branch executive are turned over to newly elected executive members, please ensure that branch files, records, documents and financial records are handed over as soon as possible after the election. In this way, the new executive will have taken over responsibility for the branch records before the beginning of the next school year.

Past President's Pins

A past president's pin will be provided automatically by the NLTA Office after a branch president completes his/her term of office. These pins will be ordered in the fall for all branch presidents who have completed a term of office and will be forwarded to the branch for presentation.

Retirement Scrolls and Pins

Please ensure that a suitable occasion is arranged for presentation of the retirement scrolls and pins for teachers in your branch who are retiring during this school year. Scrolls should be ordered well in advance of the date you will require them. **The "Retirement Scrolls/Pins" order form can be completed online and submitted directly to the NLTA office from the "Forms" section of the website.**

PLEASE NOTE: NLTA staff member Jeanine Warford is responsible for the ordering of scrolls and pins. Her contact information is: jwarford@nlta.nl.ca, and her phone extension is 234.

NLTA policy states that any teacher (or school board management staff member) who has been a member of the Association for not less than 20 years and who has accumulated not less than 20 years of teaching in the province is entitled to a Life Membership Scroll, and those who have taught for less than 20 years will receive an Honourable Retirement Scroll. In addition, the Association now provides a Life Member card to teachers who retired with not less than 20 years of service. This card, along with a letter from

the NLTA President, is provided to each retiring teacher along with their retirement scroll and pin.

Please also ensure that you include in the list of retiring teachers any **substitute teachers** who may be planning to retire this year and also include them in any branch function honouring retiring teachers.

A REMINDER TO TREASURERS: The Association will reimburse your branch up to \$33 per retiree and retiree's guest for the cost of meals provided at your retirement banquet/event. In addition, the cost of meals, up to \$33, will be reimbursed for two members of your branch executive to attend the retirement event.

You can complete the "Branch Request for Additional Funding" form online and submit it directly to the NLTA Office from the "Forms" section of the website.

A Closing Thought for your summertime break...

"Then followed that beautiful season...Summer...filled was the air with a dreamy and magical light and the landscape lay as if new created in all the freshness of childhood."

- Henry Wadsworth Longfellow
