

Autism Society, Newfoundland & Labrador
presents

Dr. Jonathan Weiss, PhD

PUBLIC LECTURE SESSIONS - TUESDAY, OCTOBER 2, 2018

SESSION 1

9AM - 11:45AM

Autism and Mental Health

This lecture will review how evidence-based interventions fit within a framework of positive development to address the treatment of anxiety, anger, and depression in persons with ASD.

SESSION 2

1PM - 3:45PM

Addressing Bullying in Youth with Autism

This lecture will review how professionals can support youth with ASD who are experiencing bullying; ways to increase coping skills and prevent reoccurrence will be discussed.

LOCATION MUN School of Medicine, Health Sciences Auditorium

REGISTRATION \$50 Per Session
