

COURAGEOUS LEADING AND LIVING

A Circle of Trust® Professional Retreat

“Becoming a leader...one who opens, rather than occupies, space – requires ... a journey beyond fear and into authentic selfhood, a journey toward respecting otherness and understanding how connected and resourceful we all are.”

Parker J. Palmer, *The Courage to Teach*

This professional retreat welcomes **educators, health care professionals, clergy, business and community leaders** and anyone seeking to exercise leadership with authenticity and integrity.

Focusing on enhancing personal leadership resources through the exploration of the self-knowledge and emotional intelligence of participants, you will have the opportunity to examine your own experience as a leader.

The Circle of Trust® process creates an environment that is both safe and brave, unconditionally supportive, and encouraging (but completely invitational) of critical personal reflection and conversation amongst a community of peers.
