Volunteer Work

While teaching in Carbonear, Ted became Mayor of Harbour Grace, a position which he held for $2\frac{1}{2}$ terms. During these early years Ted was keenly involved in community affairs, and in 1979 was chosen as 'Citizen of the Year'.

Over the years Ted held many positions. He served as vice-chairman of the S.W. Moores Memorial Stadium for four years, was both chairman and vice-chairman of the Trinity-Conception Exhibition for 10 years, and held the post of chairman of the Miss Newfoundland and Labrador Contest for 13 years. He also served as president of the Coughlan Men's Service Club, and superintendent of the United Church Sunday School. He was involved with the annual Harbour Grace Regatta for 13 years, and was a member of the Harbour Grace Board of Trade and the Harbour Grace Recreation Commission.

While much of Ted's volunteer work and group involvement took place during his active teaching career, some of it continued after his retirement. It was only after a severe ~~case~~ of Throat Cancer that much of his involvement was curtailed.
