

Re-Elect Trent Langdon for NLTA Vice-President

'A DILIGENT & DECISIVE VOICE'

Brothers and Sisters, Since the start of my career and throughout my entire life, I have been clear on what I stand for:

INTEGRITY, EQUITY, & FIGHTING FOR WHAT IS RIGHT!

- I have invested in the NLTA (for 14 years), currently serving as NLTA Vice-President.
- I was born and raised in Norris Arm South (Notre Dame Bay) and I have taught in both rural and urban areas. It is blatantly clear that our individual needs and experiences are quite diverse.
- I am currently a Guidance Counsellor at St. Peter's Junior High in Mount Pearl, serving 670+ students and their families.
- I am raising twin, 11 year-old boys with my wife in Mount Pearl.
- I have extensive regional, provincial, & national board/governance experience.
- I educate myself on the issues.

I stand on my record of 'proven & proactive' representation and advocacy for the teachers of this province.

MY PRIORITIES:

- **The Premier's Task Force on Improving Educational Outcomes:** The Newfoundland & Labrador public education system is undergoing significant change at unprecedented rates. These recommendations require constant monitoring, critical analysis, and calculated responses. I will continue to contribute to the NLTA's strong efforts toward the proper resourcing of a publicly-funded education system in this province.
- **Teacher/TLA Identity and Voice:** I will search out your voice and work with you to build the necessary representation within all regions, minority groups, and specialty areas.
- **Workplace Health & Safety:** I will continue to proactively prioritize efforts to reduce workload, improve teacher/TLA mental health, and address realities such as violence in the classroom.
