

January 7, 2019

Dear Friends:

The Janeway Children's Hospital Foundation is grateful to once again be working with the wonderful students, teachers and staff in schools across our province for the annual **NLTA Janeway Day in the Schools**. Through this special day, the Newfoundland and Labrador Teachers Association has donated more than \$1,150,000 to the Janeway Children's Health and Rehabilitation Centre since 1986!

Every day, sick and injured children from areas throughout Newfoundland and Labrador arrive at the Janeway in need of medical attention. Generous and dedicated groups such as yours make it possible for our medical team to continue providing our children with the best care possible. From the latest innovations in medical equipment and life-saving research, to continued staff education and vital pediatric programs, your gifts help provide an exceptional health care environment for all our children.

We understand that many schools are required to fundraise for their own needs and other worthwhile causes, so we truly appreciate the extra effort that goes into supporting the Janeway. Therefore, on behalf of the Janeway Foundation, our hospital staff, and our Janeway families and friends, thank you for your support and caring. Should you have any questions or require further information, please contact me at 709-777-4264 or phyllis.kinsman@easternhealth.ca.

Sincerely,

A handwritten signature in black ink that reads "Phyllis Kinsman". The signature is written in a cursive, flowing style.
