## **IT'S EDUCATION WEEK IN NEWFOUNDLAND AND LABRADOR**

St. John's...The Newfoundland and Labrador Teachers' Association is pleased to once again sponsor Education Week in the province. Education Week 2021 will be celebrated from January 17-23 with the theme **3Rs: Renew. Refresh. Reconnect.** • **3R: Recommencer. Revivifier. Renouer.**

"Education Week has always been about celebrating education and the importance of learning," says Dean Ingram, President of the Newfoundland and Labrador Teachers' Association. "The theme for 2021 reflects the current circumstances of all our students and educators and asks participants to focus on the 3Rs: Renew. Refresh. Reconnect. Renew our focus on mental health and wellness, take some time to refresh after a very stressful year and reconnect not only with yourself, but also find new ways to connect with your peers. It has been a challenging year for everyone but we are finding new ways to learn, new ways to connect and new ways to ground ourselves and focus on what is important."

For the past 85 years, the NLTA has been sponsoring Education Week in Newfoundland and Labrador. This year the Association is holding a social media contest and each time a school or teacher posts an Education Week 2021 activity, and tags the NLTA, they will be entered for a chance to win a prize.

All teachers are encouraged to observe Education Week with their students. The Newfoundland and Labrador Teachers' Association wishes everyone a great Education Week.
