

EDUCATION WEEK 2024 PROCLAMATION

Recognizing the value of education and its importance to your future and the future of our province and country...

Recognizing that our school is an important place of learning and that this school and everyone here is dedicated to helping you in your endeavour to learn and grow...

Recognizing that all people in school – students, teachers, support staff, volunteers – are unique individuals with something to contribute.

I, _____

Principal of _____

hereby proclaim the week of March 18 to 22, 2024
as Education Week in our school.
