

School Fundraising Ideas

Candy Gram

The fundraisers make special bags of candy and sell them to friends and co-workers.

No Homework

A draw can be held for a coveted "Homework Pass." Students can buy tickets for a chance to be excused from their homework. The pass can only be used during a certain time, rules pre-determined by the teachers.

Concert/Talent Show

Organize a show for your school. You can set an admission price at the door.

Bake Sale/Craft Show

The sale could take place during the lunch hour to allow staff, students or community to stop by and purchase your goods.

Art Gallery

Inspire student and teacher creativity by inviting them to create a piece of art for your school's Art Gallery. Invite the community to attend the gallery opening and charge admission at the door. To add an extra special touch, auction off your pieces of art at the end of the show. Funds could also be collected through canteen sales.

Theme Days

Students can pay to participate in Hat Day, Pajama Day, Funny Hair Day, or Sport Jersey Day. They love it!

Support your Team

Students who attend school team event (sports, debate, etc.) are charged a \$2 attendance fee.

Student vs. Teachers/Staff Game

Pull together a couple of teams of students and faculty to play against each other during a common lunch period and ask for a donation for admission to the game.

Guessing Games

These are popular games that can be done in the classroom and are a lot of fun. Example: fill a jar with jelly beans and charge a fee per guess.

"A-Thons"

Host a walk-a-thon, bike-a-thon, skate-a-thon, skip-a-thon, etc. Participants collect pledges leading up to the event. Compete individually or as a team.

Group Fundraising Ideas

Barbecues

Invite friends, family or members of your organization to purchase BBQ hot dogs, hamburgers, chips, and drinks (in a safe food-sharing way). Ask local retailers to donate some items. Sell the items for a small fee.

Tournament/Sporting Event

Host an event, such as a hockey or golf tournament. Recruit a few volunteers and form a committee. We will be happy to assist you in getting this idea off to a good start!

Raffle or 50/50 Draw

A lottery licence is required for bingos, raffles and 50/50 tickets. The Janeway Foundation will apply for the licence on your behalf.

Recycling

Ask everyone in your organization to bring in recyclable items (cans, bottles) to donate. Select a special day, week or month on your office calendar for this event. Bring items to your nearest Green Depot or Evergreen Recycling location and donate to the Janeway Foundation account.

Other Opportunities

In addition to fundraising for the Janeway, you can participate directly in **Janeway Foundation fundraisers!** Register your group for Janeway events (Million Reasons Run, RBC Race for the Kids, Jamarama); treat yourself on DQ Miracle Treat Day or Mary Brown's Snack Day; or consider other opportunities throughout the year that align with your own community or employee opportunities, such as a Staff Lottery Pool for the Festive 50/50, or ongoing events that can have a charitable component.
