

February 2, 2026

Dear Friends:

The Janeway Children's Hospital Foundation is grateful to once again be working with students, teachers, and administrators in schools throughout our province for the annual ***NLTA Janeway Day in the Schools***.

Through this special day, the Newfoundland and Labrador Teachers Association has helped raise over \$17,066 in 2025 in Newfoundland and Labrador schools, totalling **\$1,316,966 in donations** to the Janeway Children's Health and Rehabilitation Centre since 1986!

Your generosity is creating a brighter future for all sick and injured children and youth.

Your donations to the Janeway provide essential pediatric equipment, support ongoing education for the healthcare team, and advance life-saving research.

Year after year, your support for the Janeway Foundation makes a profound difference. Most recently, your generosity helped fund the new Prisma system for renal replacement therapy; technology that once required children to travel out of province for care. You also contributed to essential upgrades in surgical and diagnostic equipment, helping our kids get home sooner.

We know the school community faces new challenges every day, and we're truly grateful for your continued commitment and dedication. With new ways to give this year, we hope these options make the fundraiser easier and more accessible for everyone.

You are part of the Janeway family, and your support is providing exceptional care to every child who needs it. Thank you for making a difference in the lives of children and families across our province.

Should you have any questions or require further information, please contact me at 709-777-4264 or phyllis.kinsman@nlhealthservices.ca.

Sincerely,

A handwritten signature in black ink that reads "Phyllis Kinsman". The signature is written in a cursive, flowing style.
